Pre-engineered solutions!

ProMinent® is your sole source provider for complete chemical metering systems. The heart of every system is the metering pump. ProMinent® metering pumps are the best engineered and most reliable in today’s market. In addition, every system is engineered and designed from the ground up.

ProMinent® offers a variety of pre-engineered chemical feed and control systems.

Pre-engineered systems are fully assembled and tested; guaranteeing a fully functional and high quality system package upon delivery.

Single pump designs accommodate beta®, gamma/ L, delta®, and sigma series pumps. Feed rates up to 264 gph (1000 l/h).
