

# Solenoid Pumps

ProMinent®

ProMinent beta® b

- Chemical Feed
- Water and wastewater treatment
- Auto degassing options
- Emulsion polymer feed

ProMinent®

# Engineered Systems

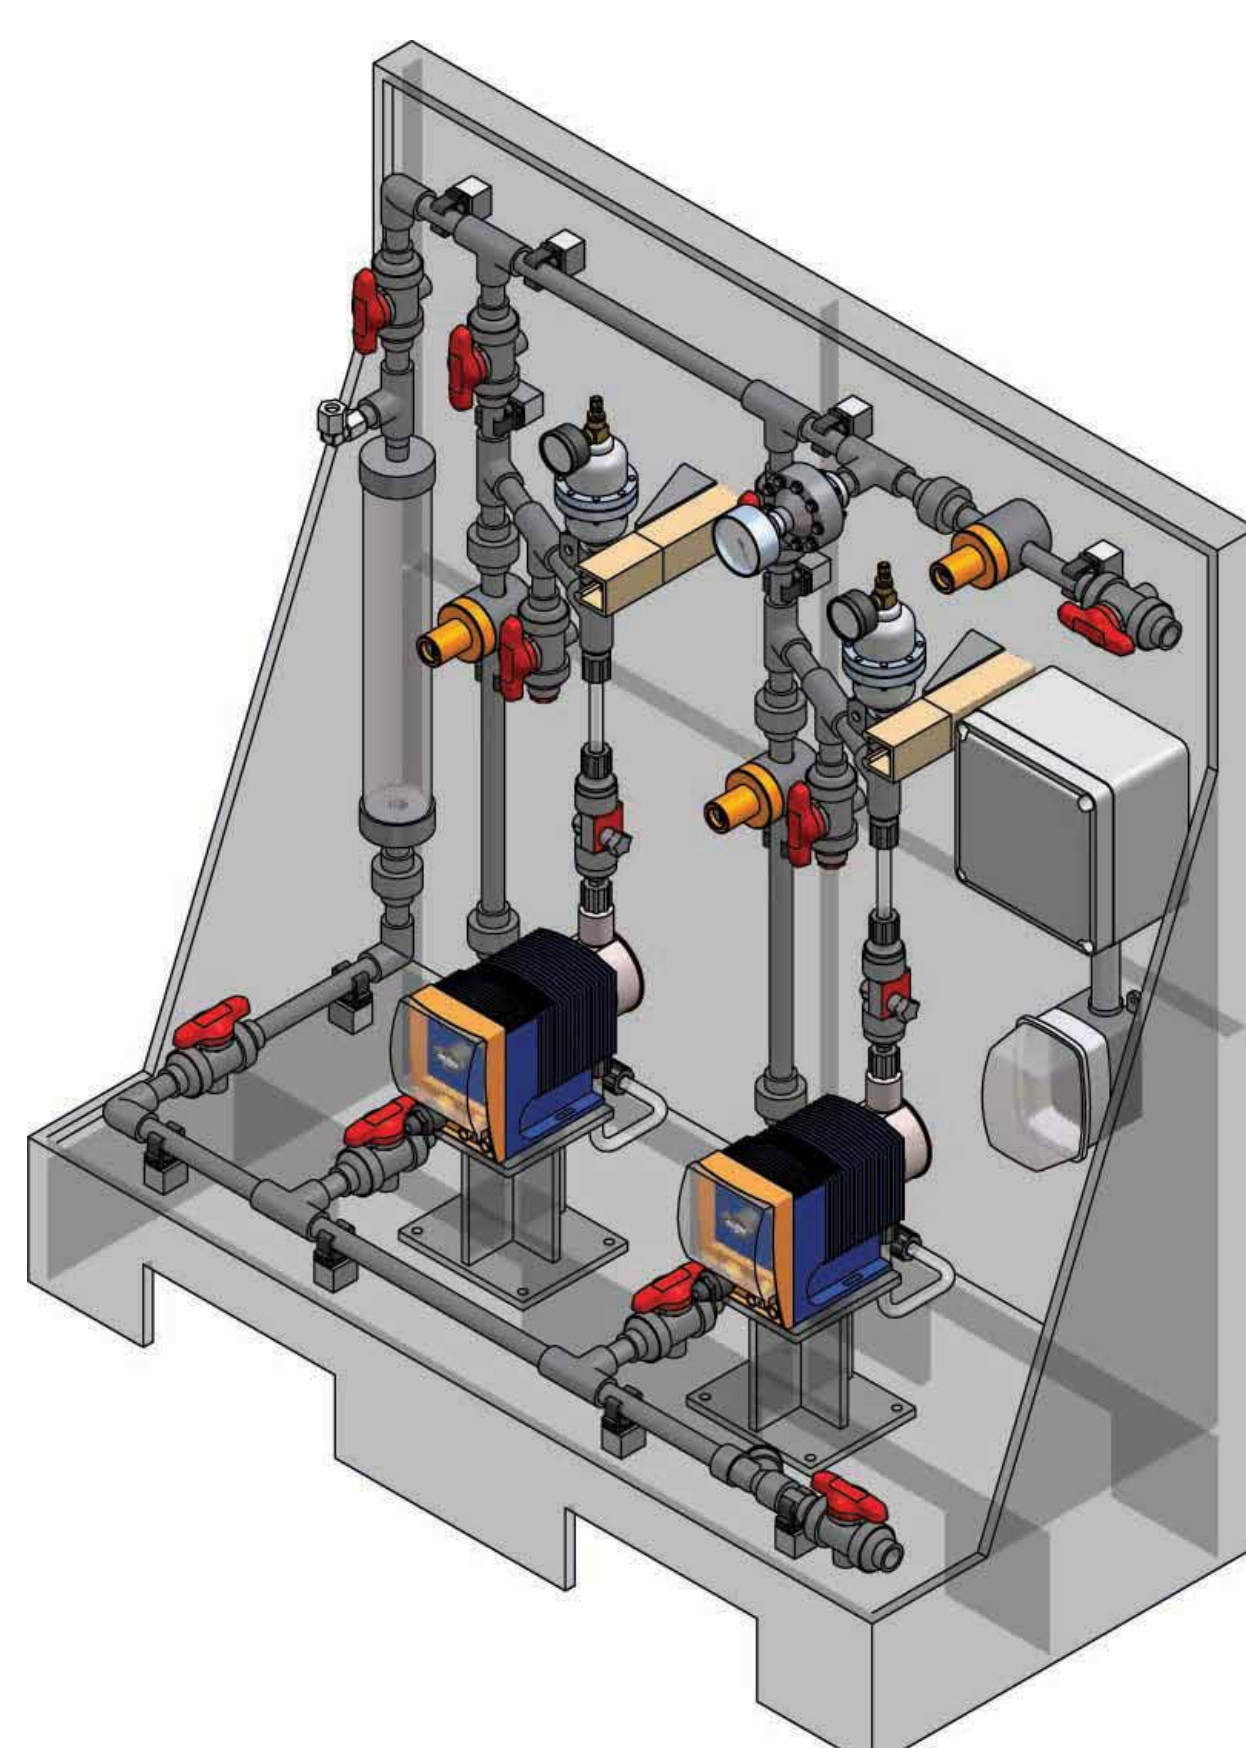

ProMinent®

- Pre-engineered Standard (PES)
- Custom Engineered
- Control Panels
- 3D design

ProMinent (PES) gamma/L skid

ProMinent®

# Process Pumps

ProMinent®

ProMinent Makro/ 5 & Makro TZ

- Gas/Oil Wells
- Refineries
- Gas treatment/gas drying
- Petrochemical

ProMinent®

# Ozone Generation

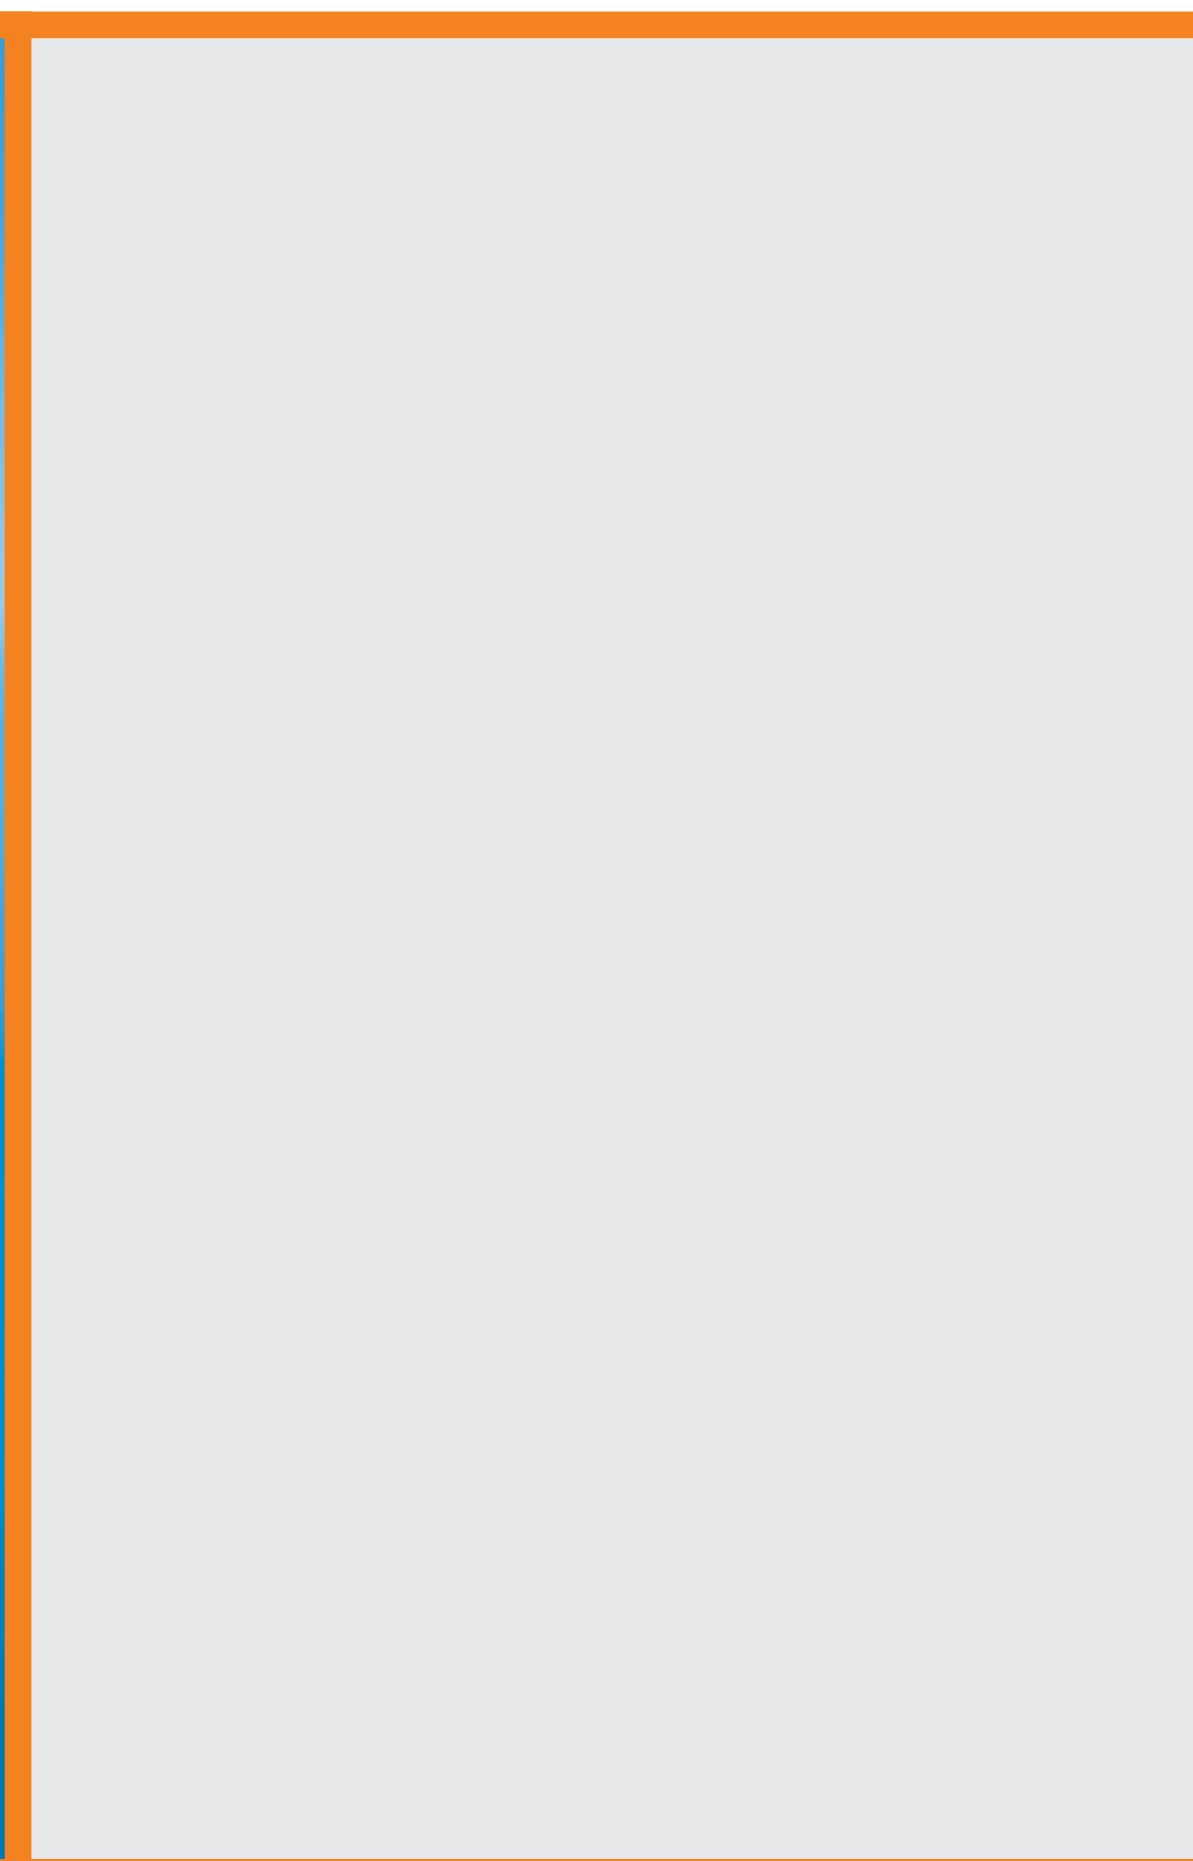

ProMinent®

OZONFILT® Ozone System

- Direct injection without separate injector system
- Maximum efficiency with low cooling water consumption
- Low maintenance and running costs

ProMinent®

# On-Site Chlorination

ProMinent®

Chlorinsitu Electrolysis  
On-site Chlorine Generator

## Application Specific Markets

- Swimming pools
- Zoos & Aquariums
- Amusement parks
- Water parks
- Splash pads
- Legionella control

ProMinent®

# Chlorine Dioxide Generation

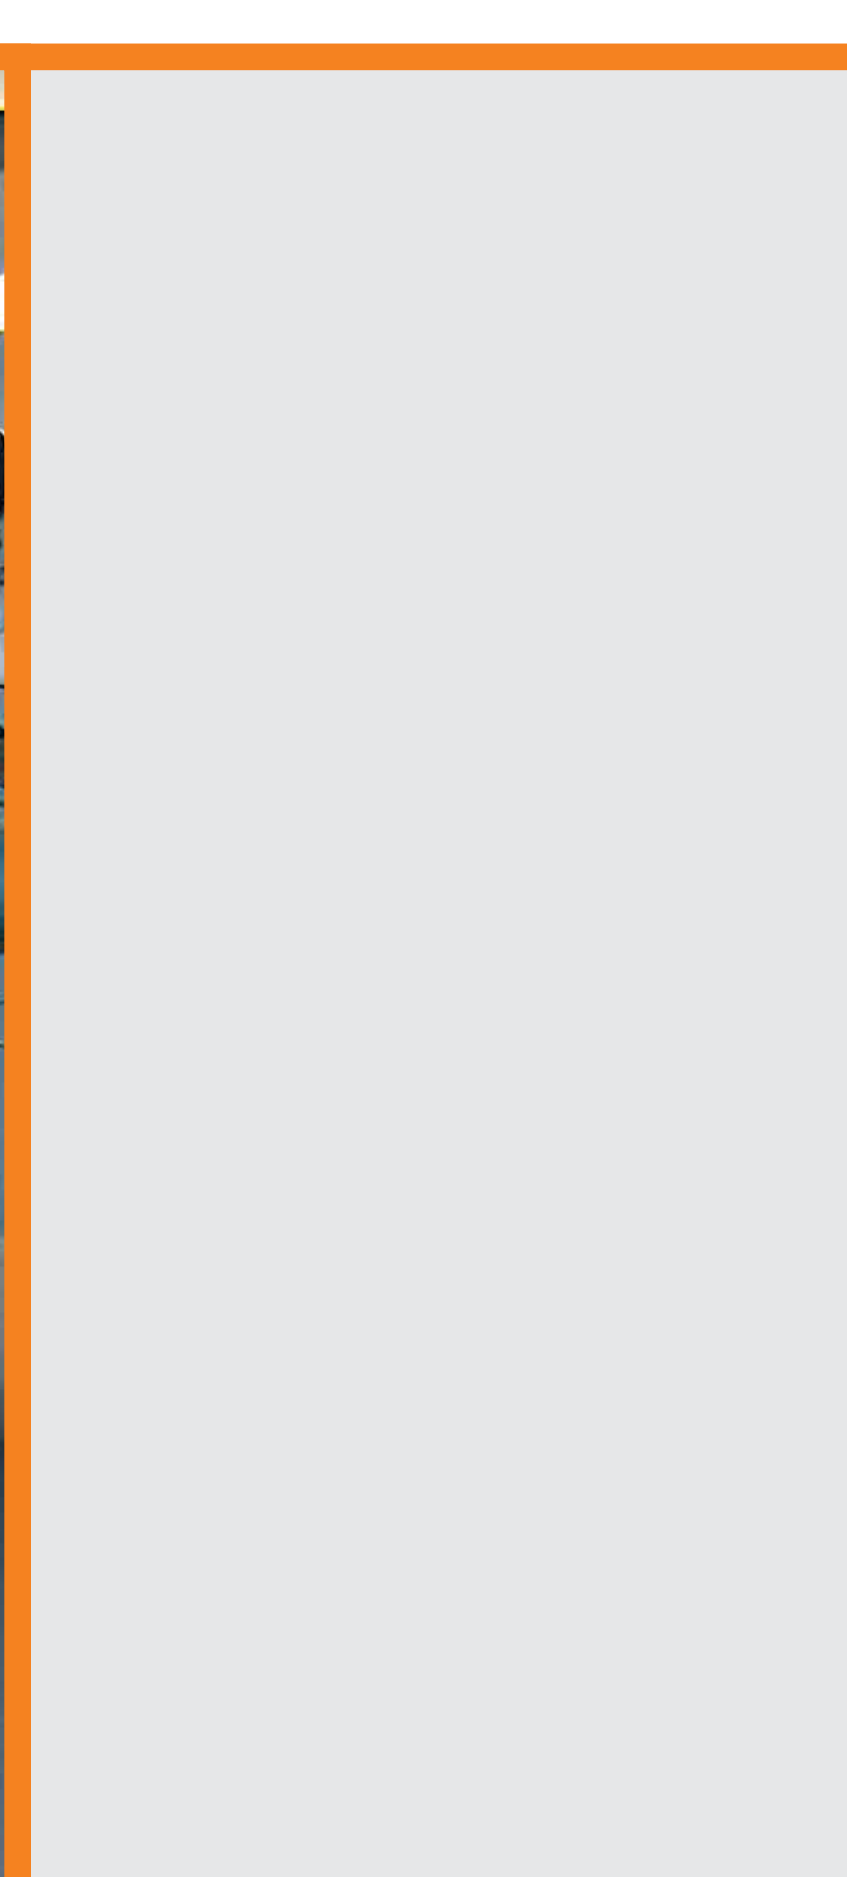

ProMinent®

Bello Zon® CDVc System

- Chlorine Dioxide Generation
- Legionella Control
- Ozone Generation
- Electrolysis
- UV Systems

ProMinent®

# Ultraviolet Systems

ProMinent®

## Applications:

- Swimming pools
- Zoos & Aquariums
- Amusement parks
- Water parks
- Splash pads

Dulcodes - S UV System

ProMinent®

# Cooling Tower & Boiler Solutions

ProMinent®

## Water Treatment

- Corrosion Monitoring
- MultiFLEX
- AEGIS
- slimFLEX
- microFLEX
- ModBUS

ProMinent controller, monitor and sensors

ProMinent®

# Monitoring & Control

ProMinent®

- Single, Dual and Multi-variable
- Amperometric Sensors
- Complete Packages
- Online Controllers
- Monitors

ProMinent controller, monitor and sensors

ProMinent®
