

Technical Information:

Date: December 2nd 2006
Subject: Custom Control Cable wiring
Product: Pump accessories

When ordering a control cable longer than 10 meters, a custom cable is used.

The Custom cable is sold by the foot using the following part numbers:

- 7902181 cable per foot
- 7900549 for the connector to the pump. (1 required)

The wiring colour codes are different from the standard control cable wiring.

Below is a table outlining the colour codes of the custom cable and the matching colour on a stock control cable.

ProMinent Stock Cable	Custom Cable	Function	Pin Number
Brown	Brown	Pause (+)	1
Black	Black	Ground (com.)	4
Blue	Red	Analog (+)	3
White	White	Contact (+)	2
Grey	Green	Aux. Frequency	5
